#### **“The Ernest Newhouse Award”**

There have been questions regarding the procedures and selection of a person who should receive the Ernest Newhouse Award. The following was taken from our By-Laws Dated 2006

Appendix – J Paragraph 2 Procedures (5/93)(7/00)(8/05)

The award recognizes an Ultra Member who has contributed in an outstanding manner to the progress, enjoyment and general success of the Club and its activities, and meets the qualifications as stated in “B” below. (7/00)(8/05) Basis for selection will be the individual performance during the entire period of membership. Not limited to the previous year or any other shorter time period. To qualify for nomination of this award, the individual must have done four of the following six items:

1. Host at least one National Rally.
2. Hold a Chair position of a committee.
3. Hold at least one term as a club officer, Tech. or other Club position.
4. Be a member of the Club for a minimum of two years.
5. Host at least two regional Rallies, or a second National Rally.
6. Accomplish outstanding or superior services to the Club.

A written, qualifying report will be sent to the President for each nominee for verification. The President will forward each qualified report to the editor for inclusion on the Ballot.

Members vote by ballot, preceding or during the National Rally. Nominations will be as specified in paragraph 2B above.

Presentation of the award occurs at the National Rally. A tie vote selects the individual of longest Club membership. An individual may receive the award one time. The “Ernie Award” is the highest individual recognition that the Club offers. The Medallion will be worn at all Ultra Assemblies

## PREZ SEZ

Happy New Year!!

May 2013 bring health, wealth and happiness to each and everyone.

Although the Ultras have been put away for the winter, it is not too soon to be thinking of the regional mini rallies planned for this year.

There is a western rally in February at AVI in NV. March finds the eastern Ultras heading to Florida. In May, the west will be going to Bodega Bay. Whether you are from the east or the west, everyone is welcomed to each and every rally no matter the location. Make plans to attend a rally. You will meet new people and so much fun that you won't be able to wait until the next rally. I can guarantee this. Look for information on these rallies in this newsletter.

Safe travelling in the coming months.

Shelley Young

### Message from your Treasurer:

**2013 and Beyond Dues.** The majority of your UVMCC dues revolve around the printing and distributing of the WOW. Your Board has therefore decided on a two tier system of dues. If you agree to receive the WOW by e-mail only, your dues are \$5.00 per year. If you require a hard copy, your dues will be \$15.00 per year. If you have prepaid for 2013 and beyond at \$10.00 per year, no changes will be made for these prepaid years. If you decide that an e-mail copy of the WOW is the way to go, be sure you have a valid e-mail address on file.

**Eric Kirven, Treasurer.**

**I want to thank all those that served with me while I was President and for all the help and good advice given to me while I was president. Also want to wish Shelly the best while she serves as President. We had a good rally in Colorado. Thanks again to the hosts and hostesses.**

## Cyndie's New Car by Chuck Hanson

Here's the followup story, 2 years later...(See Jan. 2011 WOW pg 11). Roy's is an old motel on route 66 at Amboy, CA, and the other pic's are at the 35th annual Great Western Fan Belt Toss and Swap Meet in Palm Springs.

Well, here we are, two years after I committed myself, in print, to finding Cyndie that early model convertible Corvair that she has wanted for so long.

It was a long process, looking for just the right car while gradually salting away enough money in a box under the bed.

Finally, the two came together this summer, and The Car, an Ember Red 1964, appeared right here in Las Vegas. Perfect body and interior, needed some mechanical work and TLC.

I was somehow able to get the car home without it being detected, and took care of the details in the tin garage out back. A plan fell into place to have Cyndie see the car for the first time at a show in Mesquite, where we were showing the Whale. She was quite surprised, to say the least.

(You can see the video on you tube by clicking this link):

[https://www.youtube.com/watch?v=dV94uP1aMII&feature=youtube\\_gdata\\_player](https://www.youtube.com/watch?v=dV94uP1aMII&feature=youtube_gdata_player)

By October, Cyndie was officially proclaimed a "Gear-head", when I pointed out to her that she was polishing engine parts on her kitchen table, getting her new baby ready for the Overton car show. She won first place in convertibles at the Overton show, and was the happiest person on earth that day. The 35th annual Fan Belt Toss in Palm Springs was the

next weekend, and we took the Whale and Cyndie's '64 on the trip. We had even more fun than usual, now that Cyndie had her own pride and joy to show off at the show, while I took people through the Whale. There were 14 very nice early model convertibles vying for two trophies, and my lovely wife was honored with the 2nd place trophy! It was truly a fitting end to this story, which is really all about my sweet and wonderful wife Cyndie, and not about cars or Ultra-Vans at all.

## *Camping with Ed and June Lindsay*

#338 went camping with the West Florida Corvair Club the first weekend in November. Attached is a picture of him with his buddy a 1965 Red Corvair convertible owned by Karl Steltzer of Pensacola FL. We went camping at Blue Angel Naval Recreational Area the same facility that the 2010 Eastern Ultra Van Rally was held. This facility is perfect for our club because of their cabins and this little get away is a change from day to day living and like a mini vacation. On Saturday they fried a turkey and everyone brought a dish to share. They brought a lot of firewood for a fire but there was a "No Burn" sign at the front gate. Saturday night we sat around a battery operated candle in the middle of some sticks to give the illusion of a fire. It was ok but not the same as a big warm fire. Besides sitting around and talking we walked the trails, played miniature golf and also played the club "Corn Hole" game. The "Corn Hole" game is played on a board with a hole where you try to throw a bean bag thru the hole. The camping trip and picnic was a great success and everyone had a great time.

### **Work In Progress:**

Warren Bennett says: Not exactly earthshaking, but #451 should run and move under her own power within two or three weeks - for the first time in close to 40 years. We bought her in June from the Waterhouse estate and moved her from Brightwood, OR to New Mexico.

Larry Forman is keeping us updated on his #545. He is in the process of putting in a rack and pinion steering.

## Ultra Vans For Sale

**#232 Ultra Van.** This unit has about 1200 miles on a rebuilt 110 engine. I have invested over \$12,000 for renovation and upgrading. I had just returned from a 1,200 trip with my Ultra before taking it in for some body work and paint job. At that time, it was in great running condition before the wiring was removed. There is a brand new refrigerator, Onan generator, exterior body parts, and (2) windshields that are stored with the Ultra Van in Las Vegas. It also has a rebuilt transmission. Included are heavy duty brakes, new front suspension, air conditioner and swamp cooler. The exterior body is in fairly good shape. The wiring, interior paneling and carpet have been removed in a renovation attempt. Would consider the buyer using some bartering, or doing the mechanical work that needs to be completed. Ultra Van #232 has been relocated to the property of Chuck Hanson in Mesquite, Nevada. Chuck is our current Western Ultra Van Club Board Member. He intends to do some upgrades and improvements on Ultra Van #232. His cell phone number: (702) 346-1688. We can thank Chuck for saving another Ultra from the graveyard.

**Darrell Woofter contact at 417-725-8088 or email me at [woofcorvair@aol.com](mailto:woofcorvair@aol.com) for questions. Please make offer.**

**#423 Ultra Van.** This Ultra Van is powered by a 350 c.i.d. Buick V8 engine driving the rear wheels through an Oldsmobile Toronado transmission/transaxle. The radiator for the V8 is mounted on the right rear, behind the mesh grill. Dave Peterson (creator of Ultra Van), did 18 similar conversions using the Olds transaxle setup after the Ultra Van plant shut down. Bill Tanner, the owner of "The Schmoo" for over 41 years, converted #423 using Peterson's design, and put about 65,000 miles on it after the conversion. He parked it in his back yard in Arizona at the end of a trip to New York in 1987, and there it sat until early 2011. Price?.....\$8,555 FOB Taos, NM.....Drive it home!

A Special Note from Your Editor.....

Greetings All! It is the first of the year and time for renewal of membership in the Ultra Van Motor Coach Club. Please read the message from your treasurer, Eric Kirven. It is more economical to receive your newsletter electronically now, so if there some of you out there who now have e mail and would like to receive your Whales on Wheels very fast ( It takes 2 seconds to e mail it to you), please let me know and I will take you off of my Snail Mail list. You can e mail me at the address below.
